## U. S. HAS GRIP FOREST FUNDS ON STOCKYARDS ARE DISCUSSED

### Commission Men Traders Lose By Decision of Supreme Court

WASHINGTON, May 1 .- The packers and stockyards act of 1921 was declared constitutional today by the supreme court.

The court in disposing of cases brought by James E. Burton, and others representing Chicago traders and Stafford Brothers in behalf of the Chicago Commission merchants, declared that commission merchants,

country as directed in the packers and products. stockyards act to be constitutional, declared the yards constituted a channel through which interstate ship-ments of livestock flowed and further were great national public utilities. Justice McReynolds dissented without delivering an opinion and Justice Day

HELD STRICTLY LOCAL

United States are urged to encourage its observance.

Postmaster Rufus A. Garner said today that the purpose of the observance was to impress on the public and the employes of the postoffice the importance of closer cooperation between the general public and the postoffice department for the improvement of the service.

Postmasters throughout the United States have been asked to get in touch with the patrons of their offices and discover what can be done to improve the service.

TO OUTLINE JUNIOR

FARM CLUB PROGRAM

To aid them in outlining their work for the coming season and also to discuss the various phases of the work that is to be done, Miss Ellen Agren, home demonstration agent of the expense was unconstitutional. The Federal control over the stockyards

on the ground that such federal in-terference was unconstitutional. The

injunctions were refused.

BASIS OF PROTEST meet tomorrow afternoon at the federal building at 2 o'clock Miss Lavern Larkins of Farr West; Miss Ruth Fift of Riverdale and Miss Ethel Randall of North Ogden.

The young women have returned recently from Logan where they have been attending the junior extension club school conducted at the Utah Agricultural college.

At the meeting tomorrow afternoon there is to be done along the line of clothing making and that to be done in was sold, and that their compensation was in no way affected by the live-stock being in whole or in part an in-

stock being in whole or in part an in-terstate or state shipment.

The traders asserted that they were further removed from interstate com-merce than even the commission mer-chants, from who they made their pur-chases. Their business consisted, they stated, of bidding for ilwestock in the trict court to a suit for divorce recently instituted by Bertrant A. Bingham,
Ir., in which she denies acts of cruelty
as charged by her husband and complains that he refused to support her.
She asks the court to award her the
divorce on these grounds.

Mrs. Bingham, in her answer, de
war is needed to consider the success of the comission merchants at affiliate or co-operate in the
traders. They claimed as "speculators"
they generally bought for their own
account, but at times they executed
orders for others. The livestock when
divorce on these grounds.

Mrs. Bingham, in her answer, de
war is not graded, the court was addriven into the commission merchant's pen is not graded, the court was advised, but when sold to the trader is transferred to pens where it is graded the trader's profits being dependent, in part, upon a higher price he may obtain for the livestock made more attractive by grading. The trader always operates, it was explained, upon a quick turnover, seldom retaining the livestock more than a day or two.

FEDERAL, CONTENTION

The government, in upholding the

The government, in upholding the constitutionality of the act, contended the stockyards were the terminals of Margaret Christensen, who died livestock is shipped to market, and Wednesday at Ocola, Fla., was the daughter of Andrew and Isabell Slatthrough the stockyards is in interstate commerce, over which congress has control. In regulating interstate commerce in livestock, it is proper, the government insisted, to regulate the terminal facilities of that commerce. The "continuity" of the flow from the grower to the packer, who in most insurance has his singuistic property. stances, has his slaughterhouses at the stockyards, is unbroken the govern-ment added.

## COURT TEST LOST BY SHIPPING BOARD

WASHINGTON, May 1.—The smer-gency fleet corporation of the United States shipping board is not a gov-ernment agency in the sense that it cannot be sued without its consent, the supreme court today decided. The decision of the court was considered States shipping board is not a government agency in the sense that it cannot be sued without its consent. The supreme court today decided. The supreme court today decided. The decision of the court was considered highly important by the government because of the number of cases pending before the corporation. The opinion was delivered in cases brought by the Sloan Shippards corporation and others of the state of Washington and the Astoria Marine Iron works of Oregon, contending the corporation was private, and by the corporation magainst Roger B. Wood, trustee in bankruptcy of the Eastern Shore Shipbuilding corporation, on the ground failst Roger B.
